May 8, 2025

HIDTA's Mission

The mission of the HIDTA Program is to coordinate Federal, State, Local, and Tribal law enforcement resources to reduce the availability of illicit drugs and related violence by investing in law enforcement partnerships to dismantle and disrupt drug trafficking and money laundering organizations in the United States.

This approach allows HIDTAs to adjust to new and emerging drug threats and apply resources in a timely manner. HIDTAs conduct an annual evaluation to determine their efficiency and effectiveness in dealing with the drug threat in their regions
